LUDDY SCHOOL OF INFORMATICS, COMPUTING, AND ENGINEERING
Indiana University

Degree Audit Form

Master of Science in Intelligent Systems Engineering

ID Number:

Student Name:

Degree Program: Intelligent System Engineering MS

Courses Used	Course #	Course Title	Credits	Grade	Term
Intro to ISE	ENGR E-500	INTRODUCTION TO THE INTELLIGENT SYSTEMS ENGINEERING PROGRAM	1		
ISE Compulsory Core					
Math Methods					
Computing Tools Requirement					
Track Core					
Engineering Electives					
		TOTAL CREDITS EARNED			

*If you have approval for the Math Methods or Computing Tools Waiver, just type WAIVED in the box next to those categories. You should also list the Track Core that you are pursuing in the Track Core box provided. Thank you, Josh Kemp
